

## Product Information

# 74 06 200

## High Leverage Diagonal Cutter

- All-round performance: Optimum combination of cutting power, durability and ergonomics
- Cuts easier than conventional diagonal cutters of the same size due to the high leverage joint
- Optimised: approx. 20% less effort required compared to the previous model
- For very tough, continuous use
- The extreme proximity of the jaws to the pivot point makes it easy to cut hard materials.
- Redesigned handle shape for better grip
- Precision cutting edges also induction-hardened (hardness approx. 64 HRC), for all wire types including piano wire

General	
Part No.	74 06 200
EAN	4003773033820
Pliers	chrome-plated
Head	chrome-plated
Handles	insulated with multi-component grips, VDE-tested
Weight	304 g
Dimensions	200 x 58 x 29 mm
Standard	DIN ISO 5749 DIN EN 60900 IEC 60900
REACH compliant	does not contain SVHC
RoHS compliant	not applicable
Technical details	
Cutting capacities soft wire (diameter)	Ø
Cutting capacities medium hard wire (diameter)	Ø 4.2 mm
Cutting capacities hard wire (diameter)	Ø 3.0 mm
Cutting capacities piano wire (diameter)	Ø 2.5 mm
VDE tested	yes

Technical changes and errors excepted
